

I CARE

I CARE

The "I CARE" drive is in response to the amazing empathy expressed by the student body at Inman Middle School. This campaign is in support of the Standing Rock Sioux Tribe in North Dakota. The Dakota Access Pipeline (DAPL) is projected to run through the edges of their reservation, disturbing historical cemeteries and possibly polluting their drinking water. The No Place for Hate Coalition is asking that you show your support by making a donation at Inman Middle School.
