

# Jr. TEC CAMP

Technology, Engineering, & Computing

June 5-7, 2018

**Camp Overview** | Women in Engineering is running a Jr. TEC Camp for rising 5th and 6th grade students as a preview to the week-long TEC Camp we offer for rising 7th & 8th grade students. Jr. TEC Camp is a three-day program, where students will participate in a multitude of hands-on activities designed to expose the students to the exciting world of engineering.

**Camp Hours** | Camp begins daily at 8:30 a.m. and ends at 4:30 p.m.

**Meals** | Lunch is served daily as well as an afternoon snack.

**Registration** | The registration fee for Jr. TEC Camp is \$195.00, which covers tuition, lunch and snacks, and materials and supplies. Please do not send the program fee until your daughter is accepted to Jr. TEC Camp.

**To Apply** | An online application can be found at [wie.gatech.edu/jr-tec-camp](http://wie.gatech.edu/jr-tec-camp). Registration begins February 19, and the deadline to apply is March 30.
