RISING KNIGHTS...News Just for Rising 9th Grade Families

October 2016

Dr. Betsy Bockman, Interim Principal | bbockman@atlanta.k12.ga.us

Welcome Rising 9th Graders

Grady High School has planned a series of events just for rising 9th graders and their parents. These events are designed to answer, among other things, questions about Grady's curriculum, pathways, academic achievements and opportunities, extracurricular activities, and much, much more.

During the year, parents and students will have an opportunity to:

- Meet Grady faculty and staff, including Dr. Betsy Bockman (Grady's Interim Principal), the guidance counselors, administrative staff, and members of Grady's teaching team.
- Visit the school, ask questions, and attend campus tours.

The list of this year's transition-in events is on the right-hand side of this page. Please mark these dates on your family's calendar now. Additional information about these events will be provided closer to the dates.

We look forward to personally welcoming your family to Grady High School.

Registration Documents

The list below is to help you have all of the required documentation to enroll your student in Atlanta Public Schools. The documents listed below are required for students enrolling for the first time and students transferring within the system.

Existing Atlanta Public School Students

CENSUS VERIFICATION FORM

This form has important information about your child and we need to make sure this information is correct EACH year. This form will be sent home with your child each spring for you to review. If there are no corrections necessary, when the school sends this form home with your child, please review, write "no corrections" and sign the form. If you need to correct any information, please make the corrections on the Census Demographic Form and return the form to the school.

- Check to ensure that your child's Demographic Data is correct (name, date of birth, gender/race ethnicity). Note: social security numbers are not shown for security purposes. Please do not provide your child's social security number.
- Review the Household Contact Information to ensure that the contact information for your household is accurate (address, phone number, email address if applicable).
- Review the Household Members and their relationships to ensure that all members of your household and all children enrolled in an Atlanta Public School (APS) are listed. (Do not list children not enrolled in an APS school.)
- Provide additional Contact Information where missing (work phone, cell phone, email address).

PROVIDE A COPY OF YOUR CURRENT PROOF OF RESIDENCY

Proof of residence is required when a student initially enrolls in a school, at the beginning of each school year and whenever a change of residence occurs. Please see the Proof of Residency Chart to see what documents you must return each spring.

Pathway and Elective Selection

Rising Grady ninth grade students will receive information regarding the pathway and elective courses available to them during the transition-in activities (see page 1). Students will indicate their preferences for these classes by filling out a Pathway and Elective Selection Form that they will receive at their middle schools on Thursday, January 26, 2017. The Pathway and Elective Selection Forms must be returned to the middle school by Thursday, February 9, 2017.

A Special Note About Immunizations and Health Certificates

Please note that some immunizations and certificates have expiration dates.

If your certificate has an expiration date, you must renew the certificate when it expires. If your certificate does not have an expiration date, then your child's certificate is complete for school enrollment purposes and the form will be marked as such.

Ensure that your child's vaccinations are all current, including:

- Varicella (chicken pox) Vaccine – Two (2) Doses.* Students are now required to have two (2) doses of Varicella (chicken pox) vaccine or documentation of disease or laboratory proof of immunity. When your child entered elementary school, only one (1) dose of this vaccine was required.
- Two (2) MMR or 2nd Measles Vaccinations.*
- Complete Hepatitis B Series - Series Consists of Three (3) Doses.*

Start Now - Don't Wait Until May to Check Your Student's Records!

Your student's immunizations and records need to be updated and completed prior to the start of your child's ninth grade year at Grady High School! Check with your middle school now to make sure your child's certificate is in good standing.
